Chairman's Message

Dear Shareholders,

It gives me immense pleasure to update of your company's performance for the financial year 2016-17.

Your company is now the leader in 3D dental imaging space in India by virtue of being the largest independent CBCT scan provider, with services across 11 centres in Mumbai. Your company has catered to over 45000 patrons over the last few years and is now the most recommended desitination for high quality dental scans.

Your company has been fortunate to secure confidence and leads from over 2500 dentists in Mumbai, which represents the top quartile of dentists and the who's who of the industry. Your company sincerely appreciates their continued support and engagement with your venture and seeks to build on their trust with increased performance and service offerings.

Your company's revenue for FY 2016-17 grew to Rs 198.50 lacs, representing an YoY increase of 56.24% and PAT grew to Rs 15.75 Lacs, which represented turnaround of the company's operations.

The management is committed to build on bottom line oriented, long term repeat and growth oriented business opportunities in the healthcare segment.

'SCANDENT' is the principal brand under which this business is being conducted. Now, your company is contemplating the possibility of venturing into the OPG scanning space for dental imaging to build further on to this core activity and also expand its business options. The main aim of your company to be the "First Choice of Dentists" for all their imaging and scanning requirement.

After elaborate understanding and explorations, your company is pleased to inform you that it has recently forayed into the healthcare services segment by leasing a running nursing home set up in Mumbai. This is a part of your company plan to set up a chain of hospitals under a common brand name of "Family Care Hospitals". The key differentiator of this venture is that we intend to make these units completely patient centric in terms of focus. The segment your company intends to serve here would be the lower middle class in Urban India. We believe there is a dearth of value service providers and your company intends to build the necessary capailities to deliver on this aspiration.

We are delighted to share on the above developments and wish to deliver on providing positive value for all shareholders.

Yours Sincerely,

Dr. Gautam Deshpande
Chairman and Managing Director.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

INDUSTRY STRUCTURE AND DEVELOPMENT:

The Company is engaged in the business of Medical, Dental & Clinical services. The health care sector in India is rapidly emerging because of rise in the socio economic environment, awareness in the people, rise in income of the family and more so because the people are willing to invest in health care.

The Healthcare sector in India has become one of India's largest sectors-both in term of revenue and employment. The health care industry is growing at a tremendous pace due to its strengthening coverage, services and increasing expenditure by public as well private players.

Your company seeks to also explore make a permanent base in the healthcare segment by seeking on ground opportunities to serve the large Indian population for their medical requirements in an ethical and sustainable manner.

Deloitte Touche Tohmatsu India has predicted that with increased digital adoption, the Indian healthcare market, which is worth around US\$ 100 billion, will likely grow at a CAGR of 23 per cent to US\$ 280 billion by 2020.

The revenue of India's corporate healthcare sector is estimated to grow at 15 per cent in FY 2017-18.

India is experiencing 22-25 per cent growth in medical tourism and the industry is expected to double its size from present (April 2017) US\$ 3 billion to US\$ 6 billion by 2018. Medical tourist arrivals in India increased more than 50 per cent to 200,000 in 2016 from 130,000 in 2015.

The Healthcare Information Technology (IT) market is valued at US\$ 1 billion currently (April 2016) and is expected to grow 1.5 times by 2020.

Over 80 per cent of the antiretroviral drugs used globally to combat AIDS (Acquired Immuno Deficiency Syndrome) are supplied by Indian pharmaceutical firms.

There is a significant scope for enhancing healthcare services considering that healthcare spending as a percentage of Gross Domestic Product (GDP) is rising. Rural India, which accounts for over 70 per cent of the population, is set to emerge as a potential demand source.

A total of 3,598 hospitals and 25,723 dispensaries across the country offer AYUSH (Ayurveda, Yoga & Naturopathy, Unani, Siddha and Homoeopathy) treatment, thus ensuring availability of alternative medicine and treatment to the people.

Your company is seeks both organic and non-organic modes of growth for this business. The potential size of India's dental market is vast and is expected to become one of the largest single country markets for overseas dental products and materials. The total market for the dental equipments and materials is estimated to be around US\$ 90 million annually. India's market for dental products is extremely dynamic, with a current estimated growth rate of between 25 to 30%

The main focus of our Company is Dental imaging, particularly Cone Beam CT Technology (CBCT). The concept of Cone Beam CT Technology (CBCT) is rapidly growing and gaining popularity. Cone Beam CT Technology (CBCT) is a new diagnostic tool that has revolutionized diagnosis and treatment planning in the dental field. Still there is a vast untapped dental imaging market in India, which the Company intends to cover and provide world class services to the consumers.

The Company have acquired the business equipments from "Doctors Dental Services Limited" and started the business of Medical /Dental Imaging Services. This year shows your Company taking ambitious leaps in introducing new Services, acquiring new business and rolling out a growth plan across the country. We have opened a chain of Dental Imaging Centers in the City of Mumbai. The Company visions to further expand and establishment of new Dental Imaging centre in other major cities in India and across the country. We are also planning for expansion into other modalities of expertise in the field of Dental imaging.

OPPORTUNITIES AND THREATS:

The positive outlook in this sector is presenting lots of investment opportunities. There is a lot of scope for the Dental Equipment and product market growth in India. Many Foreign companies are investing in the Indian Dental Equipment Market.

Foreign companies are investing in the Indian dental equipment market by establishing their production units in India. India is rapidly becoming a manufacturing hub for supplying dental equipment and material

According to Research Analyst at Ken Research, the domestic players need to focus on effective marketing strategies and should provide attractive discounts to customers via loyalty points or exclusive discounts. Furthermore, organizing free dental checkups and providing competent customer services would also allow the overall dental care services market to grow at progressive rate in future".

99% of the dental market in India is private. Most practices in India are solo with multi-operations. Several large multinational players are setting up a chain of dental clinics to tap into this rapidly growing dental market. Over 90% of the dentists work in and around major cities. As job opportunities in both the public and private sector are relatively less, most dentists set up their own private clinic

According to various reports, growth rates 20 to 30 per cent are forecast for the dental product market in the coming years. Some financial investment groups are also building hospitals with dental specializations, offering general dental care, and specialty treatment.

The potential size of India's dental market is vast and is expected to become one of the largest single country markets for overseas dental device and materials exporters

According to the Different research report, the India dental care services market will register double digit growth rate and will reach over INR 14,700 Crore by FY'2020 due to growth in the number of dental chains which would expand the share of organized dental clinics in the country.

Even though people in India are now more attentive to the dental care needs, some of the dental treatments are expensive and therefore people tend to ignore them. The challenge is to provide more affordable treatment.

India is the largest democracy and the second most populated country in the world. However, more than 70% of the people of India are residing in the villages. As far as dentists and their availability is concerned to this huge population, the demand and supply ratio is far inadequate and insufficient. The dentists: population ratio of India, on date is 1: 10,000.

However, the reality is that in rural India 1 dentist is serving over a population of 2,50,000. Thus, the real picture is not that simple as it seems. As, we are about step into the next decade, there lies an urgent need to analyze the dental work force of the country and to study the scope and future of dentistry in the coming years. There are still many underserved groups that do not have any access to oral health care. To address the complex circumstances facing our dental workforce, solutions will almost certainly involve a broad spectrum of interests that include oral health and public health care professionals, representatives from minority interests, insurers and other payers such as businesses, consumers, and most importantly, central and state legislatures. Dental educators, including those in dental schools must work together to strengthen and build partnerships within these communities. It is only by working together with a common goal that dental education will have the means to meet the challenging diversity of oral health care needs facing our nation and to maintain a viable and strong academic dental education system.

INDEPENDENT AUDITORS' REPORT

To,

The Members of

Scandent Imaging Limited

Report on the Financial Statements

1. We have audited the accompanying financial statements of **M/s. Scandent Imaging Limited** ("the Company"), which comprise the Balance Sheet as at 31st March, 2017, and the Statement of Profit and Loss, for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

2. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position and financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

3. Our responsibility is to express an opinion on these financial statements based on our audit.
4. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.
5. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
6. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.
7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

8. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:
 - a) In case of its Balance-sheet, of the state of affairs of the company as at 31st March 2017.
 - b) In case of Statement of Profit and Loss, of the Profit for the year ended on that date.
 - c) In the case of the Cash Flow statement, of the cash flows for the year ended on that date.

Annexure - B to the Independent Auditor's Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act") referred to in paragraph 2 (f) on Report on Other Legal and Regulatory Requirements of our report.

We have audited the internal financial controls over financial reporting of Scandent Imaging Limited ("the Company") as of 31 March 2017 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion the Company has in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

1. Significant Accounting Policies

A. Basis of Accounting

- a. The financial statements have been prepared in accordance with the historical cost convention on an accrual basis and comply with the applicable Accounting Standards specified under section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014. These financial statements have been prepared as required under relevant provision of the Companies Act, 2013 and the presentation is based on the Schedule III of the Companies Act, 2013. All assets and liabilities are classified into current and non-current generally based on the criteria of realization / settlement within twelve months period from the balance sheet date.

b. Use of Estimates

The preparation of financial statements in conformity with Generally Accepted Accounting Principles (GAAP) requires the management of the Company to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosures relating to the contingent liabilities as at the date of the financial statements and reported amounts of income and expenses during the year. Example of such estimates include provisions for doubtful debts, employee retirement benefits plans, provision for income tax, provision for warranty cost and the useful lives of fixed assets. The difference between the actual results and estimates are recognised in the period in which the results are known and materialised.

B. Fixed Assets

Fixed Assets are stated at cost, less accumulated depreciation / amortisation and impairment loss, if any. The actual cost is inclusive of freight, installation cost, duties, taxes, financing cost and other incidental expenses related to the acquisition and installation of the respective assets but does not include tax/duty credits availed.

C. Depreciation

During the year the accounting policy for providing the depreciation has been changed from WDV method to SLM method as provided in the Companies Act, 2013. During the year the policy for providing the depreciation has been changed from WDV method to SLM method as provided in Companies Act, 2013 resulting in profit from losses and profits now being higher by ₹ 27.10 lakhs.

D. Impairment of Assets

The Fixed Assets or a group of assets (cash generating units) are reviewed for impairment at each Balance Sheet date. In case of any such indication, the recoverable amount of these assets is determined, and if such recoverable amount of the asset or cash generating unit to which the asset belongs is less than its carrying amount, the impairment loss is recognised by writing down such assets to their recoverable amount. An impairment loss is reversed if there is change in the recoverable amount and such loss either no longer exists or has decreased.

E. Investments

Quoted Investments are valued at cost or market value whichever is lower. Unquoted Investments are stated at Cost. The decline in the value of the Unquoted Investments, other than temporary, is provided for. Cost is inclusive of brokerage, fees and duties but excludes Securities Transaction Tax, if any.

F. Inventories

Inventories are valued at cost or net realisable value whichever is lower. Cost of inventories comprises all costs of purchase, conversion and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on weighted average basis.

G. Borrowing Costs

Borrowing costs that are directly attributable to the acquisition, construction or production of an qualifying asset are capitalised as part of the cost of that asset. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. Other borrowing costs are recognised as an expense in the period in which they are incurred.

H. CENVAT/Value Added Tax

CENVAT/Value Added Tax benefit is accounted for by reducing the purchase cost of the materials/fixed assets/services.

I. Revenue Recognition

- a. Revenue is recognised on transfer of significant risk and reward in respect of ownership.
- b. Sales/Turnover for the year includes sales value of goods and other recoveries such as insurance, transportation and packing charges but excludes sales tax, value added tax and recovery of finance and discounting charges.

SCANDENT IMAGING LIMITED

- c. Insurance, Duty Drawback and other claims are accounted for as and when admitted by the appropriate authorities.
- d. Dividend on investments is recognised when the right to receive is established.
- e. Dental services income recognised on completion of service basis.

J. Foreign Currency Transactions

Transactions in foreign currencies are recorded at the exchange rate prevailing on the date of transactions. Foreign Currency Monetary Assets and Liabilities are translated at the year end rate. The difference between the rate prevailing on the date of transaction and on the date of settlement as also on translation of Monetary Items at the end of the year is recognised, as the case may be, as income or expense for the year.

K. Employee Benefits

Short Term Employees Benefits

Short Term Employees Benefits are recognised as an expense at the undiscounted amount in the Statement of Profit and Loss of the year in which the related services are rendered.

L. Taxation

Income tax comprises of current tax and deferred tax. Provision for current income tax is made on the assessable income/benefits at the rate applicable to relevant assessment year. Deferred tax assets and liabilities are recognised for the future tax consequences of timing differences, subject to the consideration of prudence. Deferred tax assets and liabilities are measured using the tax rates enacted or substantively enacted by the Balance Sheet date. The carrying amount of deferred tax asset/liability are reviewed at each Balance Sheet date and recognised and carried forward only to the extent that there is a reasonable certainty that the asset will be realised in future.

Minimum Alternate Tax (MAT) paid on the book profits, which give rise to future economic benefits in the form of tax credit against future income-tax liability, is recognised as an asset in the Balance Sheet if there is convincing evidence that the Company will pay normal tax within the period specified for utilisation of such credit.

M. Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognised when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources in respect of which reliable estimate can be made.

Contingent Liabilities are disclosed by way of Notes to Accounts. Disputed demands in respect of Central Excise, Customs, Income-tax and Sales Tax are disclosed as contingent liabilities. Payment in respect of such demands, if any, is shown as an advance, till the final outcome of the matter.

Contingent assets are not recognised in the financial statements.

N. Prior period items

Prior period items are included in the respective heads of accounts and material items are disclosed by way of Notes to Accounts.

O. Other Accounting Policies

These are consistent with the generally accepted accounting principles.
